

SAINT THOMAS ACADEMY STUDENTS WIN TWIN CITIES ECONOMICS CHALLENGE

MENDOTA HEIGHTS, Minn. – Saint Thomas Academy announced today that 10 senior AP economics students participated in the Twin Cities Economics Challenge on March 26, 2010. Winning the overall competition with the defeat of Eden Prairie High School in the final quiz-bowl round was the group consisting of:

H. Coons '10
A. Gerten '10
B. Schaefer '10
T. Walsh '10

This championship earns them the opportunity to compete for the state title April 21, 2010, at the Federal Reserve Bank in Minneapolis.

Also participating in the competition were:

T. Enderby '10
D. FitzPatrick '10
R. Palmer '10
L. Ramsey '10
J. Smith '10
R. Wankel '10

Palmer scored second highest amongst all the students participating in Macroeconomics, missing only one question.
