# Archbishop John Roach Award

Nomination Form

Each year the Saint Thomas Academy Fathers' Club honors an individual volunteer who has demonstrated uncommon leadership and effort in the betterment of the school.

The Archbishop Roach Award was established soon after the passing of the Archbishop in honor of his memory and his many lasting contributions to the school. As you may know, Archbishop Roach was once a professor, dean of students and headmaster of the Academy.

The award is giving annually in the spring at the STA Fathers' Club Banquet.
