

SENIOR VIDEO 2010

The Party will be here before we know it!

The senior video project, a compilation of “senior moments” from the Class of 2010, has officially begun. This video becomes a treasure to the grads and we want to be sure that each boy from this year’s class is a part of it all.

We need your help! Please submit video and/or photos of seniors as soon as possible. Submissions can be from any time during their STA years and must be from school-sponsored events, i.e. dances, ceremonies, athletics, tournaments, etc. If it’s an STA moment, with members of this year’s senior class, send it to us! We hope to have every senior represented so, we need all parents to contribute.

Do you have anything in your collection from these activities, or others?

Athletics	Band	Cadence
Campus Ministry	Chess Club	Citation
Dances	Debate	EVT
Homecoming	Honor/Color Guards	Kaydet
Leadership Events	Math Team	Orienteering
Peer Counseling	Quiz/Knowledge Bowl	Rifle Team
Senior Projects	Senior Retreat	Service/Mission Trips
Tailgating	VISTA Productions	Other Clubs/Events/?????

Please send them on! There will be a Senior Graduation Video basket in the Main Office at Mrs. Zimmermann’s desk to collect your contributions. Digital photos may be sent on disc, please try to use jpeg format. Please label all of your pieces with your name, address, phone, and any necessary instructions. All items will be returned.

Time is of the essence! The video is created as the year passes and so the sooner we get items, the better. Please begin to send items now and remember to continue sending them as events occur. The sooner the better, please!
