

Saint Thomas Academy 2022 Community Auction Sponsorship Opportunities

Saint Thomas Academy is an expert in educating and developing boys. Our mission – to develop boys into men of character – is our promise to students, families, the community, and the world. We accomplish this through the transformative power of an educational and life experience deeply rooted in the Catholic faith and traditions, academic excellence, military leadership, and an all-male environment.

We invite you to further our mission and make an Academy education more accessible to qualified students by sponsoring the 2022 STA Community Auction, a fundraising event that supports students, faculty, and co-curricular programming.

As a sponsor, your business will receive valuable awareness among the entire Saint Thomas Academy community, a very loyal community whose members appreciate your support.
